

Let's get going!

Move, have fun and exercise together.

How to use these cards:

- Mix and match these fun exercises to enjoy physical activity as a family.
- Start with a few exercises from the Full Body category to warm up your muscles and get your heart pumping.
- Pick one or two cards from each of the five categories for a full body workout.

AIM FOR 60 MINUTES OF DAILY PHYSICAL ACTIVITY FOR CHILDREN AGES 6-17, AND 30 MINUTES FOR ADULTS.

- Pick a card to do during commercials or during your favorite song.
- Take turns choosing cards at random.
- Designate a day each week for each family member to select cards.

Safe exercise tips:

- Remember, go slow; form is more important than speed or amount.
- If an exercise is too hard, slow down and do it less. Safety first!
- If you feel a sharp pain, STOP!
- If an exercise is too easy, repeat it a few more times, or cycle through your chosen cards two or three times.

*Always consult your doctor or pediatrician
before starting regular physical activity.*
